placed on the market by and produced in the factory of

## S.C. ARCON SRL

Str. Körösi Csoma Sandor nr. 32  
RO - 520009 Sf. Gheorghe

is submitted by the manufacturer to the initial type-testing of the product and to a factory production control and that the notified body 0958 SGS INTRON Certificatie B.V. has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

**EN 13707:2004/A2:2009**

were applied.

This certificate was first issued on 29.05.2007 and remains valid as long as the conditions laid down in the harmonized technical specification in reference or the manufacturing conditions or the factory production control itself are not modified significantly .
